

Eurobank Equities was incorporated in February 1999 as the brokerage arm of Eurobank Ergasias S.A. Soon after its inception, the company managed to capture and maintain a leading position in the Greek market. In 2016, it ranked first with a 15.02% market share in the Athens Stock Exchange, while to date, it also ranks first with a market share of 15.8%.

The Company provides brokerage, services to private, corporate and institutional clients in Greece, Bulgaria, Romania, and Serbia.

The Institutional Sales desk of Eurobank Equities covers some of the largest Greek and International institutional clients investing in Greek Equities and derivatives providing valuable local insight and trustworthy investment advice. The research team consists of 5 senior analysts supporting the sales desk by covering 40 Greek listed companies and it was ranked 1st in “Country Research” in 2016 Extel survey while some analysts were top-rated in their respective sector.

The company also maintains a leading position among private clients offering access to both Greek and International markets via a broker or an electronic platform. As a Market Maker, using state-of-the-art technology, we provide liquidity to 19 stocks, 33 equity derivative products as well as one bond.
