

LXM Group is a finance company supporting institutional and corporate clients around the world. Our businesses are managed from offices in London, New York and Athens, from which we service a broad network of banks, funds, family offices and corporations. The firm is one of the largest traders and managers of NPLs in Greece in recent years.

And quote from Matthew Mavridoglou:

*"Being a company committed to the Greek investment story, LXM is delighted to lend its support to such a worthwhile event."*
